<p>This annual event is always a great week-end, with meals and beds provided. Bring your own linen /towels (or hire).</p> <p>Laurel Hill Forest Lodge is situated between Batlow and Tumbarumba, on the doorstep of the Snowies, with wonderful tar and dirt roads at your fingertips (wheel tips?), plus great walks right from the site. Rides are organised by those there at the time. Come in the tin lid if you need to.</p> <p>Stay 1, 2 or 3 nights. It's up to you. \$60 p.p. for each day's dinner, bed and breakfast, so long as we have the minimum 20.</p> <p>Hosts, Owen and Cathy Fitzgerald are friendly, good cooks and a mine of information. Great birdlife, and brumbies wander around the grounds.</p> <p>Each block of about 4 to 6 rooms has a bathroom and common room, with tea, coffee, so you can carouse into the night, or do your own thing.</p>
